The Republican Campaign Committee of New Mexico has received your letter dated May 2, 2008 requesting additional information. As the footnote at the end of the report indicates, the Voter Registration activity does not reference in any way a clearly identified Federal candidate and, therefore, this is Federal Election Activity that qualifies under the definition of exempt Party activity. These expenses have been appropriately disclosed on Schedule H-6, and the permissible transfers from Levin funds have been correctly reported on Schedule L-B. Thus, no amendment is required with respect to these expenditures.

With respect to your question regarding the disclosure of fundraising expenditures, these disbursements represent generic Party fundraising activities, and are properly reported on Line 21(b).
