Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B of your report discloses a disbursement to the candidate for "Debt Repayment." However there are no debts disclosed on Schedule D. Please be advised that the committee must report all debts incurred on a Schedule D and must show all payments on this Debt on both Schedule B and Schedule D. (11 CFR § 104.3 (d))

If the payment to the candidate is for the repayment of outstanding candidate loans it must be disclosed on Line 19(a) of the Detailed Summary Page and reflected on a separate Schedule B. The outstanding loan balance and payment fields on Schedule C must be adjusted accordingly. Please amend your report to your report to clarify the payment itemized on Schedule B. (11 CFR § 104.3(b)(4)(B)(iii))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
