Faith Family Freedom Fund is in receipt of your correspondence dated February 27, 2013 regarding its amended 30 day post-general report (10/18/2012 - 11/26/2012) and two independent expenditures reported on that report.

These two independent expenditures, the first in the amount of \$4,719, and the second in the amount of \$1,050, were reported on 24-hour reports that were filed four and two days late, respectively. When it was discovered that ads had been run that required a 24-hour report, Faith Family Freedom Fund immediately filed 24-hour reports.

Sincerely,

Paul Tripodi
