RECEIVED 01/04/2013

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 item(s):

1. Schedule B supporting Line 30(b) of the Detailed Summary Page discloses \$18,000 in disbursements for "FEA 100% Federal: Yard Signs Romney" on behalf of "Mitt Romney." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Political Party Committees.

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please amend your report or provide clarifying information.

2. On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals. (11 CFR §§104.10(b)(2) and 104.17(b)(1)(ii))

3. Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. (11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3)

4. Schedule H4 of your report discloses reimbursements to individuals for "Reimbursement - COBRA" and "Reimbursement -Wingate Inn - Staff at St." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. (11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee

will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
