Dear Congresswoman Hart:

As you know, AMPAC was privileged to recently support your re-election effort in the way of a Benchmark Survey, completed by Public Opinion Strategies and presented to you on September 20, 2002.

This research will be reported as an in-kind contribution from AMPAC to you on our September, 2002 Report (due October 20, 2002) to the Federal Election Commission. You must, therefore, report to the FEC that \$4,700.00 was received from AMPAC in the form of an in-kind 2002 General contribution on the above date. If there are questions about this, be sure to let me know.

Also, we have included two copies of a receipt for this material and would appreciate your signing both copies of the receipt and returning one copy to us.

Again, AMPAC was pleased to provide this contribution, and is hopeful of your re-election in November, 2002. I would like to again suggest that you be sure to express your appreciation to the physicians in your District who, by their support to AMPAC, made this contribution possible.

Sincerely,

Kevin Walker
Executive Director
and Treasurer

AMPAC is a separate segregated fund established by the AMA. Voluntary political contributions of individuals to AMPAC should be written on personal checks. Funds from corporations cannot be used for contributions and expenditures in Federal elections. Corporate monies will be placed in a separate AMA account for official education and other non-election activities. Contributions are not limited to the suggested amount. Neither AMA nor its constituent state associations will favor or disfavor anyone based upon the amount or failure to make PAC contributions. Voluntary political contributions are subject to limitations in FEC regulations Section 110.1, 110.2 and 110.5. Federal regulations require this notice.

Contributions to AMPAC are not deductible as charitable contributions for federal income tax purposes.

The undersigned hereby acknowledges receipt of the results of a benchmark survey conducted by Public Opinion Strategies for the American Medical Association Political Action Committee (AMPAC), completed on September 4, 2002 in the State of Pennsylvania.

The undersigned hereby acknowledges that the entire right, title, and interest in and to the results of the survey and related materials, including but not limited to all copyright ownership therein, are exclusively vested in AMPAC.

The undersigned further acknowledges that such results have been contributed to him by AMPAC solely for his use as a candidate for the House of Representatives and/or campaigning for such office, and agrees that he shall not use such results for any other purpose without prior written consent of AMPAC.

The undersigned also acknowledges that the contribution of such results to him by AMPAC in no way limits the right of AMPAC to use such results for other internal purposes, but AMPAC agrees that it will not release such results to other candidates for the above office, to the media, or to anyone for other than AMPAC purposes.
