

CLARIFICATION PROVIDED IN RESPONSE TO ITEM 2 OF LETTER
DATED 8/29/07 FROM CAMPAIGN FINANCE ANALYST CORBIN
T. JONES.

This is in response to the subject administrative services payments. This entry displays the payment by the Political Committee to Nelson Mullins Riley & Scarborough, LLP, the sponsoring organization, to reimburse the firm for expenses allocable to the Political Committee, including rent, utilities, salary, telephone service, office equipment and supplies. The Political Committee is managed by and out of the office of a regular employee of the firm for whom Political Committee activity constitutes a de minimis portion of total employment time. We estimated that the value of such overhead expenses allocable to the Political Committee is \$300.

The sponsoring organization provides free legal services to the Political Committee, solely to help the committee comply with federal campaign finance laws. The individual performing the services is a regular employee of the organization. The value of these services is \$750. We will indicate a memo entry on Schedule A of our year-end 2007 report to report the receipt of such services.

We trust that the above comment constitutes adequate clarification. We will be pleased to provide whatever additional information is needed.
