REFERENCE: AMENDED STATEMENT OF ORGANIZATION, RECEIVED 09/23/2013

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee has checked Line 5(f) which indicates that your committee supports/opposes more than one Federal candidate, and is not a separate segregated fund or a party committee. However, it appears your committee may be a subordinate party committee. If your committee is responsible for the day-to-day operation of a subordinate political party, then you should complete the required information for Line 5(d). Further, you are advised that Line 6 should be used to disclose the name of any affiliated or connected organization (see box marked for connected organization and remove if not applicable.). Please amend your Statement of Organization to clarify these apparent discrepancies.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
