RE: Amended Year-End Report (10/01/2013 – 12/31/2013)
Dear Mr. Holly,

In response to your letter dated April 3, 2014.

1. When the committee has not secured the employer/occupation for a contributor who has provided in excess of \$200, the committee takes the action listed below and places "Information Requested" in the employer and occupation fields of the report.
In the initial solicitation for an event or contribution the RSVP form clearly informs the contributor that federal law requires their full name, mailing address, occupation and name of employer if they exceed contributions of \$200 in an election cycle. After the initial solicitation is received and if their information is not provided, one additional stand alone follow-up letter is sent within 30 days of the initial receipt of the contribution with a pre-addressed return envelope. This letter also clearly states the federal law that requests them for their current employer and occupation. This action is the Treasurer's "best efforts" to obtain this information. Attached is a copy of the follow-up letter displaying this information. The inadequate employer and occupations that were previously listed have been corrected and amendments have been filed.
2. Schedule B line 17 transactions have been corrected to clarify the inadequate descriptions.
3. The report has been amended to show memo transactions for the expense reimbursements where the original vendor is in excess of \$200 for the election cycle.

Please contact me if you have questions.

Regards,
Charles P. Erickson
