3/24/94

Dear Mr. Richards:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please be advised that as of June 18, 1992 there has been a change in the ballot composition ratio formula. State and local party committees shall also include in the ratio one additional non-federal office. 11 CFR 106.5(d)(ii) FEC calculations disclose that this will change your federal ratio to 25%. For future reporting please use current FEC forms.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
