A response to your correspondence dated November 15, 2018.

Women for American Values and Ethics (WAVE) amended its July 2018 quarterly report to include \$20,500 in previously-unreported in-kind contributions to the non-contribution (Super PAC) account which increased the receipts and disbursements dollar amounts. WAVE regrets having not included these in-kind contributions on the originally-filed report. There were information-gathering and calculation complications during the time-frame in question. All \$20,500 of the in-kind contributions were itemized on line 29 of the amended July quarterly report as soon as possible.
