The 4th quarter, 2003 filing for the NorthStar Leadership PAC did not list any rent paid. We were being billed quarterly at the time and received the bill for the 4th quarter rent on December 5, 2003. The bill was paid on January 5, 2004 and will be reported on the 1st quarter, 2004 report. We are now being billed monthly, and that will also be shown on the next filing. Rent includes office phones, (but not cell phones), utilities and most supplies. The PAC Management fee is for salaries.
