Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$14,525.00 for "POSTAGE," "DESIGN & PRINTING," and "DESIGN & PRINT." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity or provide clarifying information.

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for "VOLUNTEER EXEMPT CAMPAIGN MATERIAL" which appears

to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b).

Please amend your report to clarify (1) whether the activity disclosed meets the conditions of exempt party activity and (2) the type of FEA this activity represents or provide clarifying information as to why it does not meet the definition of FEA. In addition, please properly disclose this activity if necessary.

-Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "Blast Fax." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal and non-federal accounts. Only federal funds may be used.

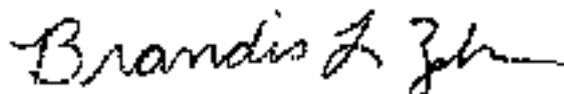

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please amend your report to properly disclose this activity.

If this activity was categorized incorrectly, the Commission recommends that you immediately transfer the funds received by your federal account for this activity back to the non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
