WASHINGTON, D.C. 20463

RQ-2

July 8, 2009

Jan Churchill, Treasurer
Nevada State Democratic Party

Response Due Date:
August 12, 2009

Identification Number: C00208991

Reference: June Monthly Report (5/1/09-5/31/09)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule H3 of your report discloses "NDP Federal CC" as the name of account(s) for transfers received from an apparent non-federal account for shared activity. Please verify if these transfers were received from a non-federal account of your committee and amend your report with any clarifying information.
2. On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

3. Schedule A supporting Line 15 of the Detailed Summary Page of your May Monthly Report (4/1/09-4/30/09) discloses a refund(s) or rebate(s) of what appears to be a previously disclosed allocable expense(s) from "SLP Sunset LLP" and "Friends For Harry Reid". Further, in an attached memo text, you state, "Non-federal share transferred out in May." However, your June Monthly Report (5/1/09-5/31/09), does not disclose transfers to the non-federal account for these transactions.

Please be advised that when a committee receives a refund or rebate of an allocable expense, it must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account and disclose this transfer-out on Schedule H4. Please amend your report to disclose the transfers to the non-federal account or provide clarification regarding this apparent omission.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1141.

Sincerely,
