Dear Ms. Johnson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a memo entry noting that one of your contributors has designated two federal candidates to receive funds from the money previously donated by the contributor. Your committee has also correctly reported the amounts forwarded to the candidates as regular disbursements on Schedule B; however, you have failed to include a notation that each disbursement was an earmarked contribution. Please amend Schedule B to clearly define each earmarked contribution.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
