Id Number: C00187450

Reference: FEC letter dated December 17, 2010

Period: October Monthly Report (09/01/10 to 09/30/10)

Item 1)

All payroll activities included in schedule H4 were for workers who spent less than 25% of their time on federal election activity in the month of September. These activities were in connection with a federal election. Therefore these expenditures are properly recorded on schedule H4.

Item 2)

The payment in question is not for payroll purposes as described but strategy consulting.

Item 3)

The payment in question was for strategy consulting during the reporting period.
All future payments will be correctly described in accordance with FEC guidelines.
