OCT 3 2001

Reference: October Quarterly Report (7/1/00-9/30/00)

Dear Mr. Price:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a receipt(s) of \$2,000 from the Tennessee Highway Contractors Political Action Committee. Please clarify whether this transfer(s) is from an account maintained by your committee for non-federal activity. If so, be advised that such a transfer is prohibited by 11 CFR §102.5(a)(1)(i) and the full amount of the transfer(s) should be returned to the non-federal account. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on Schedule B supporting Line 22 of your next report.

If this transaction represents an "internal transfer" of funds from one federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds or clarification of the transaction, will be taken into consideration.

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the Primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an impermissible contribution for an election which has already occurred, you should notify the recipient and request a refund and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
