Reference: December Monthly Report (11/1/07-11/30/07)

Dear Mr. Jones:

Please be advised that the Calendar Year-to-Date totals on the December Monthly Report (11/1/07 11/30/07) referenced in your February 27, 2008 Request for Additional Information are accurate based on changes to prior report data. Consequently, we have decided not to amend this report. Below you will find explanatory information regarding the changes that prompted this discrepancy in your records.

On December 10, 2008 this committee amended its July Monthly FEC report (6/1/07-6/30/07) at the request of Sui Lang Panoke, Campaign Finance Analyst. According to the letter we received from the Commission dated 11/7/2007, an amendment was required to correct the initial reporting of the in-kinds by changing them from memo receipt entries to reporting receipts and to also offset these receipts by adding disbursements of the same value to the operating expenditures total on Line 21(b). As a result of this change, the Calendar Year-to-Date totals for receipts and disbursements were increased. Based on the language in the letter that we received and direct conversations with Ms. Panoke, no further amendments were required nor were they encouraged.

I can be reached at 301-856-0770 ext 305 if you need more information.

Sincerely,

Wade S. Williams
