Treasurer, Ken Bentsen for U.S. Senate

1616 South Voss, Suite 820

Houston, TX 77057

Dear Treasurer:

The Federal Election Commission has just notified CWA COPE PCC that our June 27, 2002 contribution to your committee in the amount of \$1000.00 was made after the date of the Texas primary on March 12, 2002 and therefore must be refunded to CWA COPE PCC in order to comply with the Federal Election Campaign Act of 1971, as amended.

Please issue a refund check in the amount indicated above immediately and send it to CWA COPE at the address listed above. Please indicate in your refund letter whether or not the committee has a debt for the primary. If the committee still has a primary debt, CWA COPE PCC may make a contribution for your primary debt since it will not have given the maximum amount to your committee for the primary election.

We appreciate your cooperation in this matter.

Sincerely,

Kathy Wagner

Assistant Political Director
