RE: February Monthly Report (01/01/2016 - 01/31/2016)

Dear Commission:

This memo in response to your request for additional information, dated 3/7/2016, for the report referenced above. The Year-End report covering the period of 12/1/2015 - 12/31/2015 has been amended to include additional memoed earmarked checks which were inadvertently omitted from the original Year-End report. They were received on 12/31/2015 and were not captured in the data used for compiling the original Year-End report. As that report has now been amended, the information on Schedule B of the February Monthly report has corresponding contributions on Schedule A.

We hope this responds to your question. Please let us know if we can provide any additional information.

John D. Isaacs, Treasurer
