To Whom It May Concern:

Enclosed please find our amended 2002 Oct 15 3X (amended) and our 2002 12 Day Pre General Election 3X Reports on paper. The enclosed diskette contains our electronic filings for these reports. Please note the electronic filing of the Oct 15 report is an amendment to our earlier paper filing.

It has been impossible to access your system to upload these files. Your system is busy, it refuses our connection, it hangs up our system. It has been nearly impossible to use FecFile4 as it insists these reports have already been electronically filed so amendments cannot be electronically filed without a filing ID and one does not have a filing ID if the original was filed on paper. Moreover, although FecFile4 offers to upload the reports again that it claims to have earlier uploaded, since we have never been able to upload anything with FecFile4 it is impossible to independently verify if FecFile4 will actually upload for a second time a report it believes to have already uploaded.

For all these reasons we are sending you both a paper copy and a diskette with the electronic files on it. We will continue to try to upload these reports throughout the day until the filing deadline and if we are unsuccessful, we will contact you tomorrow.
