RE: Year End Report (10/1/07-12/31/07)

Identification Number: C00340190

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response. Please contact us if any further information is needed.

Capitol Hill Lists, LLC is the list broker/manager through which our mailing list is marketed. The fees that they charge are in line with all of the other list brokers in the business. The income received from Capitol Hill Lists is net income from the rentals on our mailing list. The amount that we receive is a net amount, i.e. they have already taken their fees for producing the list rentals that generated the income in the first place. This practice is a very common one in the direct mail business and our entire operation is conducted within the normal and standard practices in the industry.

"BRE Postage", "Direct Mail Postage", "List Acquisition", and "Postage" are expenditure descriptions that all apply to our committee and our direct mail program. They were not for public communications or voter drive activity benefiting any other federal committee. There is no expressed advocacy in this activity.

All expenses described as "event catering" were also for the benefit of our committee. None of these were made on behalf of any federal candidate. Any expenses benefiting a federal candidate are itemized on Line 23.

The contributions made to candidates for a specific election period which had already occurred were to retire debt associated with that election period. These contributions were noted as debt retirement and the recipient committee reported them as such as well.

Thank you,

Bob Barr Leadership Fund
