Re: Amended November Monthly Report (10/1/2013- 10/31/2013) received 12/13/2013

This is the Party's response to your request for further information on the following two questions:

Transfer out on Schedule B to ?Minnesota DFL State Account?. On the actual report the committee indicated that a Form 99 was filed on 11/20/2013 regarding this issue. This can be found on page 86 of Schedule B. Form 99 was filed on 11/20/2013 to disclose the individuals who paid for a 100% state training seminar with credit cards that are directly linked to the Party's Federal account.

Schedule H2's ratio is correct as stated. (50%/50%). There was one reimbursement to Libby Keefe on Schedule H4 page 136 that was inadvertently reported at the wrong ratio, thus creating the ratio of 26% Federal and 74% State for the total on all disbursements for the Founders Day Dinner. It will be corrected on the amendment for this report. The change in the ratio will also result in changes to the year-to-date totals for the reports covering the periods dated 11/1/2013-11/30/2013 and 12/1/2013-12/31/2013; these two reports will also be amended.

If there should be any further questions please contact me at 651-239-1200 or lkeefe@dfi.org.

Libby Keefe
