On January 23, 2004 I received a "Remail" copy of letter sent December 23, 2003. The letter requested a response date of January 22, 2004. The first letter was sent to a Post Box the committee no longer uses. This P.O. Box was listed on the last Statement of Organization filed in 2001. However we have been using my home address on all reports since that time. I apologize for any inconvenience this may have caused the commission. I have filed the necessary amendments for the 2003 midyear and year-end reports as well as filed an amended Statement of Organization.

If you have any questions please feel free to contact me at my work ((558)-439-3271) or my home ((559)-275-5861) or by e-mail jandjparsons@comcast.net.
