Please note that due to an internal audit of 2004 we are making amendments to all our reports through 2007. The receipts identified as 'Individual Unitemized' are from small dollar donors and do not contain contributions from anyone having given more than \$200 in aggregate. Consequently, these contributions are no longer itemized, and are now reflected in the aggregates for Line 11aii. During the election cycle in 2004, the Committee established separate bank accounts for its receipts from the National Party Committees; these funds were segregated from other federal funds. Expenditures from these accounts were only made for permissible purposes. For those individuals without an employer and occupation, the Committee has established 'best efforts' to obtain this information. The original solicitation included a request for each individual's employer and occupation. The Committee has also followed-up with a written request to each individual whose information was not included. This amendment includes many of the individuals' employer and occupation information that was previously missing. Should the Committee receive additional information, it will be reported on subsequent reports.
