Memorandum

DATE: May 10, 1996

TO: John D. Gibson, Assistant Staff Director -- Reports Analysis Division

FROM: Patrick Massengale, Office Manager

RE: Year End Report (07/01/95 - 12/31/95)

ID# -- C00020818

This memorandum is in response to your Request For Additional Information letter, dated April 25, 1996. The date of receipt of the RFAI was April 29, 1996.

In reference to question number one, on page one, concerning a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page, these changes were made and are reflected within the enclosed amended report.

In reference to question number two, on page one, concerning the failure to disclose a loan repayment received on Schedule A supporting Line 14 which has not been recorded on Schedule C, we have prepared the appropriate Schedule C which has been included within the enclosed amended report.

In reference to question number three, on pages one and two, concerning the disclosure of contribution(s) from an organization(s) which is not a political committee registered with the Commission, we have written check #2205, dated 05/03/96 and deposited on 05/10/96 into our State Finance account (which is not used to influence federal elections) from our Unity account as a "transfer-out" check for the funds received from New Mexico Petroleum Marketers Association PAC. We obtained verbal permission from Mr. Everett McGehee to transfer this money into the non-federal account. We have provided a copy of the check and deposit slip for your review.

In reference to question number four, on page two, concerning the clarification of the purpose and nature of the payments to various vendors for administrative/voter drive expenses whose purpose of disbursement is listed as "Reimbursed Expense," we have clarified those expenses within the appropriate schedule of the enclosed amended report.

In reference to your notation on page two, concerning the incorrect disclosure of 100% federal expenditures on Schedule H4, we have corrected this by placing these expenditures on Schedule B supporting Line 21(b). These changes are reflected on our enclosed amended report.

I hope this fully answers your RFAI of April 25, 1996. If you have any further questions, please contact Patrick Massengale at (505) 298-3662.
