Reference: Year End Report (11/23/04-12/31/04)

Dear Mr. Martinez:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule L-A of your report discloses one or more Levin fund donations from a person(s) in excess of \$10,000 for the calendar year (see attached). Please be advised that a State, district or local party committee of a political party must not solicit or accept from any person (including any entity established, financed, maintained and controlled by such person) one or more donations of Levin funds aggregating more than \$10,000 in a calendar year. 11 CFR §300.31(d)

If any apparently excessive donation in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Transfers-out and refunds should be disclosed on Schedule L-B supporting Line 5 on Schedule L of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive donation(s), prompt action by your committee to transfer-out or refund the excessive amount will be taken into consideration.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1137.
