Re: APRIL QUARTERLY REPORT (01/01/2014 - 03/31/2014)

This letter responds to your request for additional information dated June 3, 2014, regarding items reported on Gridiron-PAC's 2014 April Quarterly Report.

1) Your letter asks for more information on a contribution from the National Football League ("NFL"), which your letter says appears to be from a corporation. The NFL is an unincorporated association and is not a corporation. See AO 1985-24 (NFL); see also Gridiron-PAC Miscellaneous report to FEC (filed 6/10/2009).

However, due to an inadvertent clerical error, the amount of the in-kind contribution from the NFL was overstated in one portion of the report. The committee is amending its report to reflect the correct amount in all entries.

2) Your letter asks for additional information on two contributions designated to primary elections that had already passed. Due to an inadvertent clerical error, the original Form 3X for the first quarter incorrectly attributed these two contributions to the primary election. Gridiron-PAC is amending its first quarter 2014 Form 3X to designate the following contributions for the 2014 general election:

Gutierrez for Congress: 3/31/14, \$1,500  
Robin Kelly for Congress: 3/31/14, \$1,500

Respectfully submitted,

Adolpho Birch  
Treasurer, Gridiron-PAC
