This amendment is being filed to disclose certain transactions that were advertently omitted on the original report. Due to a technical problem, certain disbursements designated as memo entries were not itemized on the original report. These were earmarked contributions that were made payable to dividual candidates and forwarded to the campaign committees in the form of the contributor's original check. While these contributions were itemized on Schedule A, they did not appear on Schedule B. This amendment discloses these contributions on Schedule B. In addition, the amendment itemizes the earmarked receipt from Chuck Kirchoff on Schedule A.
