Kevin Fortkiewicz  
Sr. Campaign Finance & Reviewing Analyst  
Federal Election Commission

Dear Mr. Fortkiewicz,

This statement is filed in answer to your letter dated October 22, 2020 regarding Amended September Monthly Report Received 10/16/2020.

- 1.The amended report included contributions that were received in August 2020 but had not been included in the original report. Due to COVID-19, we were dealing with mandatory office closures and employee staff working from home, the contributions were only stamped in and the remainder of the processing could not be completed until staff was able to return to the office. For security reasons checks were not allowed to be taken from the office to peoples homes. We amended the report to include as soon as possible.
- 2.Salary and Employee Benefits have been reported on Schedule H4 were for employees who spent less than 25% of their time on Federal Election Activity. Salary and Employee Benefits for employees who spent more than 25% of their time on Federal Election Activity were reported on Schedule B and paid for with 100% federal funds.
- 3.Facebooks Ads and Online Communication Consulting were describing committee expenditures that were not candidate related.
- 4.The Report has been amended to correct the Joint Activity Identify to reflect Roosevelt Dinner 2020.

Please let me know if you have any additional questions.

Sincerely,

Denise Lewis  
Treasurer
