I am writing to inform you that the Campaign Committee has re-designated the excess contribution of the Brotherhood of Railroad Signalmen Political League and Smart TD Political Action Committee (PAC) from the 2024 primary election to the 2024 General Election. We made this change in response to the letter dated March 3, 2024, from the Federal Election Commission regarding the Year End Report (covering the period of October 1, 2023, through December 31, 2023).

We await a response to our confirmation letter that the \$2,500 donation from Building Better School, a non-federal political committee based in New Jersey, was made with federally permissible funds.

We filed an amended return on March 28, 2024, which included the above changes, i.e., the redesignation and confirmation, and informed the two PACs of the redesignation.
