RE: C00183087

Dear Ms. Denny:

Thank you for the clarification of the HillPAC report filed for the second quarter of 1998. We will promptly change our committee identification number to ensure that this error is avoided in the future.

Schedule B supporting line 23 should have indicated that the disbursements were made - for all candidates - for the general election. We apologize for our oversight.

Please do not hesitate to contact me if I can be of any help to you. My direct dial is (202) 944-1977.

Sincerely,

Reference: July Quarterly Report (4/1/98-6/30/98)

Dear Mr. Hymel:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 discloses contributions to federal candidates for which no election designation has been provided. Please note that if no designation is included in your report, the contributions will be attributed to the next upcoming election for the recipient candidate. Thus, for future reporting purposes, it is in your committee's interest to designate the appropriate election in order to avoid the appearance of excessive contributions made to federal candidates by your committee.

-Be advised that you have used an incorrect committee identification number on the Summary Page of your report(s). Please file all future reports and correspondence using your correct identification number, C00183087, to avoid potential errors in entering your reports onto the public record.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free

number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,
