Reference: Notification of Multicandidate Status (FEC FORM 1M)

Dear Mr. Voltmann:

This letter is prompted by the Commission's review of the document referenced above. There appears to be a discrepancy between the information disclosed on your FORM 1M and Commission records that indicates your committee does not yet qualify for multicandidate status as defined by 11 CFR §100.5(e)(3). According to the available information, your committee does not meet the criteria for multicandidate status for the following reason(s):

This letter is prompted by the Commission's review of the document referenced above. There appears to be a discrepancy between the information disclosed on your FORM 1M and Commission records that indicate your committee did not meet multicandidate status until 9/23/98.

In order for a committee to reach multicandidate status, the committee must be registered for 6 months, receive contributions from 51 individuals and contribute to 5 federal candidates. Commission records indicate that you registered on 3/23/98, but you have indicated you became qualified on 4/8/98. Please amend your FORM 1M to clarify this apparent discrepancy.

If the information you provided was incompletely or incorrectly disclosed or you believe the Commission records to be in error, please submit documentation which will clarify the matter. Should your committee meet the requirements for multicandidate status in the future, please submit a new Notification of Multicandidate Status (FEC FORM 1M). If you need further assistance, please feel free to contact me on our toll-free
