Identification Number: C00392928

Reference: Amended Year-End Report (7/1/05 – 12/31/05), received 2/11/06

Dear Ms. Levitan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 7, 11(a)(i), 11(a)(ii), 21(a)(i), 21(a)(ii), 21(c), 31 and 32, Column B of the Summary and Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule H4 supporting Line 21(a) of your report discloses \$6,027.65 in activity identified as MEMO entries that do not appear to correspond with any itemized transactions. Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity.

-Schedule H4 of your report discloses disbursements for the Administrative category which use a ratio that is inconsistent with the ratio disclosed on Schedule H1. The fixed ratio for the allocation of administrative, generic voter drive and exempt activity expenses by State, district and local party

committees should be the same for the full two-year election cycle unless a Special election is scheduled during an odd numbered year. Furthermore, the fixed percentage for these costs is based on whether a Presidential and/or a Senate candidate appear on the State's ballot. Please amend your report to clarify this apparent discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative Category and for the "Gold Mountain" fundraising event are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedules B and H4 of your report to clarify the following description: "consulting." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Please amend your report by providing the purpose for each disbursement itemized on Schedule H4 supporting Line 21(a).

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to check the appropriate allocated activity or event category box for the payments made to Gold Mountain Restaurant and the United States Postal Service. Please amend your report to disclose the appropriate category.

-Your Year-End Report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Each state, district or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §106.7

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

-Your Year-End Report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-On Schedule H4 of your report, your committee discloses disbursements that do not include the breakdown of the federal and non-federal shares. For each disbursement, committees must report the breakdown of the federal and non-federal shares of the expenditure. Please amend your schedule H4 accordingly.

-Schedule B of your report discloses reimbursements to individuals for "Supplies for Fundraising Event." Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary, you must indicate so in an amendment to this report. 11 CFR §104.9, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to individuals for "event supplies" and "office supplies." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
