Reference: Statement of Organization, dated 4/26/05

Dear Mr. McCombs:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your committee has checked Line 5(f) which indicates that your committee supports/opposes more than one Federal candidate, and is not a separate segregated fund or a party committee. However, it appears your committee may be a party committee. If your committee is responsible for the day-to-day operation of a political party, then you should complete the required information for Line 5(d). Further, you are advised that Line 6 should be used to disclose the name of any affiliated or connected organization (not the apparent name of your party committee). Please amend your Statement of Organization to clarify these apparent discrepancies.

-Please clarify your relationship, if any, with Republican Party of Texas, which appears to be an affiliated committee. For further guidance on the question of affiliation, please refer to 11 CFR §100.5(g) and §110.3. If your committee is affiliated with Denton County Republican Party you should amend your Statement of Organization to reflect this relationship as "affiliated" on Line 6.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1152.

Sincerely,
