The International Union of Operating Engineers/Engineers Political Education Committee (IUOE/EPEC) has reviewed its recently filed FEC reports to ensure that the aggregate contributions made by IUOE/EPEC and the federal PACs with which it is affiliated are in compliance with contribution limits for the current election cycle. In so doing, IUOE/EPEC discovered an excessive contribution and has requested a refund from the campaign to which it has made the excessive contribution.

Please find enclosed a letter from IUOE/EPEC to Friends of Barbara Boxer requesting a refund of the contribution made by the IUOE/EPEC and its affiliated federal PAC. The dates of the contributions to the campaign by IUOE/EPEC and its affiliated federal PAC are indicated on the enclosed letters.

Dear Treasurer:

The International Union of Operating Engineers/Engineers Political Education Committee (IUOE/EPEC) has reviewed its recently filed FEC reports to ensure that the aggregate contributions made by IUOE/EPEC and the federal PACs with which it is affiliated are in compliance with contribution limits for the current federal election cycle. In doing so, IUOE/EPEC discovered that IUOE/EPEC must seek a refund from your committee.

On August 20, 2007, "Supporters of Engineers Local 3 Endorsed Candidates" made a contribution of \$500.00 to your committee designated for the 2010 Primary. On August 13, 2007, International Union of Operating Engineers/Engineers Political Education Committee made a \$5,000 contribution also designated for the 2008 Primary. IUOE/EPEC and Local 3's federal PAC are affiliated political committees with common contribution limitations. Accordingly, your committee should process a check in the amount of \$500.00 made payable to IUOE/EPEC in order to ensure compliance with FEC contribution limitations of \$5,000 per election.

Thank you for your anticipated cooperation in this matter.

Sincerely,

Christopher J. Hanley
Treasurer
