Re: April Monthly Report (03/01/08 - 03/31/08)

This submission is in response to your review of the above referenced report.

The expenditures reported on Schedule B for Printing and Postage that are allocable to federal candidates are reported on Line 23 as in-kind contributions to the candidates. Expenditures reported on Line 21b are for the Committee's own fundraising.

Please note that a partial refund of the payment to Sisk Mailing Services for Postage on 3/27/08 in the amount of \$5700 was received on April 14, 2008 and was reported as an offset to operating expenditures on Line 15 of the May Monthly report.
