IDENTIFICATION NUMBER: C00105973

REFERENCE: 12 DAY PRE-GENERAL REPORT (10/01/2012 - 10/17/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 item(s):

1. You have made disbursements for "Volunteer Exempt Mail" which you have characterized as exempt activities. In order for an activity to be classified as exempt, it must meet the following conditions: (1) For slate cards and sample ballots: it names at least three candidates running for election to any public office, it is not distributed through public political advertising (including broadcast media, newspapers, magazines, and billboards), the content is limited to the identification of each candidate, the office or position currently held, the office sought and party affiliation, and the costs allocable to federal candidates are paid with permissible funds; (2) For campaign materials: the activity is conducted on behalf of the party's nominees in the general election, the materials are distributed by volunteers--not through public political advertising, the party committee does not use materials purchased by the national party committee or money transferred from the national committee to purchase materials, the party committee does not use funds designated for a particular federal candidate, a payment from a non-federal campaign to help pay for the materials does not exceed its allocated share of the expenses, and the costs allocable to federal candidates are paid with permissible funds; (3) For voter drives: the activity is on behalf of the party's Presidential and Vice Presidential nominees, the activity does not involve the use of public political advertising such as television, radio, newspapers, magazines, billboards or direct mail, phone banks are operated by volunteers (although paid professionals may design the system, develop calling instructions and train supervisors), the party

committee does not use funds transferred by the national party committee for voter drive activities, the party committee does not use funds designated for a particular federal candidate, and the cost allocable to federal candidates are paid with permissible funds. (11 CFR §§100.80, 100.87, 100.89 and 11 CFR § §100.140, 100.147 and 100.149)

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, and if any portion of the expenditures were made on behalf of specifically identified candidates, this amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please provide the Commission with a more detailed explanation of these activities.

2. Please amend your report by providing the address and purposes for each disbursement itemized on Schedule(s) B supporting Line(s) 21(b) and 30(b). (11 CFR §104.3(b)(3))

3. Schedule H6 supporting Line 30(a) of your report discloses a payment(s) for "Generic GOTV Television Ad." Please be advised that pursuant to 11 CFR §300.33(c)(1), expenditures for public communications (as defined by 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any such candidate for Federal office must not be allocated between or among federal, non-federal and Levin accounts. Only federal funds may be used.

Further, expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s). However, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate, rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

If this activity was categorized incorrectly, the Commission recommends that

you immediately transfer the funds received by your federal account for this activity back to the non-federal or Levin account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

4. Schedule A supporting Line 12 discloses a transfer(s)-in from "Democratic Congressional Campaign Committee" and "Democratic National Committee." Schedule H6 supporting Line 30(a) reflects payments for Federal Election Activity. Please be advised that under 11 CFR §300.34, a State, district or local party committee must not use any Federal funds transferred to it from a national party committee or any other State, district or local party committee, as the Federal component of an expenditure or disbursement for Federal Election Activity. Furthermore, your committee must itself raise the Federal component of expenditure or disbursement allocated between Federal and Levin funds.

Please clarify whether the transfer(s)-in was used for the subsequent payments for Federal Election Activity. In addition, please clarify the procedures you are currently using to ensure that Federal funds transferred to your committee from national, State, district and local party committees are not being used for Federal Election Activity.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1393.
