IDENTIFICATION NUMBER: C00416404

REFERENCE: JUNE MONTHLY REPORT (05/01/2012 - 05/31/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule B supporting Line 29 of your Detailed Summary Page discloses a disbursement for "Internal Cash Adjustment for incorrec Cash on Hand" for \$5,000. In Miscellaneous Electronic Text Submission, received 6/18/12, you state, "We have added an internal cash adjustment on Line 29 in the amount of \$5,000 to balance the report with the bank statement. To recap, we found an error in our cash on hand that goes back prior to 2008. To fix this you advised we report an internal cash adjustment on our report and submit a Form 99 reminding you of the issue. The PAC has no records past 2009 and was therefore unable to pinpoint on which report the original error began." Please provide any additional clarifying information as to the details of this disbursement and why this activity was not disclosed on the original report covering the period during which it took place.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
