Re: Response from Committee ID#C00417063 for Amended February Monthly Report (01/01/07-01/31/07), received 6/25/2007

Dear Ms. Daughtrey,

I write to respond to the September 21, 2007 inquiry received from the Federal Election Commission by the West Virginia Republican Party, Inc. with the assigned ID# C00417063. This letter asks questions related to the West Virginia Republican Party, Inc.'s Amended February Monthly Report (01/01/2007-01/31/2007), received 6/25/2007.

The Federal Election Commission asks for further information concerning expenses reported on Schedule B supporting Line 21(b) totaling \$4080.03 for "Consultant-Media" and "mailing costs." Specifically the Federal Election Commission asks if these disbursements for public communications were to promote, support, attack or oppose any candidate for Federal office or meet the definition of Federal Election Activity. These expenses were for generic party communications and for generic party fundraising and do not meet the definition of Federal Election Activity and were not to promote, support, attack or oppose any candidate for Federal office.

The Federal Election Commission also asks for clarification on expenditures made for "Fundraising Consulting." Specifically the Federal Election Commission asks if these expenditures were made on behalf of specifically identified federal candidates. These expenses were made to raise generic funds for Party operating funds and were not made on behalf of any Federal candidate.

I have amended this February Monthly Report (1/1/07-1/31/07) with more detailed report descriptions and more detailed description in the memo text field to clarify the expenses questioned in the Federal Election Commission Letter. None of the financial information in this February 2007 Monthly Report has changed.

Please contact me with any questions.
Sincerely,

Theresa A. Waxman, Treasurer
West Virginia Republican Party
