Re: SEIU Committee on Political Education
ID No. 000004036
July Monthly Report (6/1/99 - 6/30/99)

ANDREW L. STERN
International President
BETTY BEDNARCZYK
International Secretary-Treasurer

This is in response to your letter regarding the Service Employees International Union's Committee on Political Education ("COPE") July 1999 monthly report. Schedule B of that report shows a contribution of \$10,000 to DASHPAC on June 28, 1999. This report is in error. A \$10,000 contribution was given to DASHPAC at that time, but only \$5,000 was placed into its federal account and the remaining \$5,000 was placed into its non-federal account. I have confirmed this with DASHPAC. The Committee further informs me that both \$5,000 contributions were reported to the FEC, although normally non-federal contributions are not reported to the FEC.

PATRICIA ANN FORD

SEIU will be amending its July 1999 report to correct this error and to show the two separate contributions, one to the DASHPAC federal account and the other to DASHPAC's non-federal account.
