To whom it may concern:

This response is in regard to the letter received by MPC Federal PAC on April 6, 2015 concerning the July Quarterly report (4/01/2014-6/30/2014). This response details what steps were taken to amend the quarterly reports and when the contributions to the GREGGPAC were made. An original contribution check was made to the GREGGPAC on November 26, 2013.

And this contribution was disclosed on the December 2013 quarterly report which was filed January 22, 2014. On April 30, 2014, it was brought to MPC Federal PAC's attention that the November 26, 2013 check to GREGGPAC had never been received and it was confirmed through the MPC Federal PAC checking account that the check had not cleared. On May 15, 2014, MPC Federal PAC stopped payment on the original contribution check written on November 26, 2013. A replacement check for the 2013 contribution was sent on May 21, 2014 to the GREGGPAC. The December 2013 quarterly report was amended to void out the original contribution made in 2013, on July 11, 2014. And in reference to the two contributions sent to the GREGGPAC, which are listed on the July 2014 quarterly report, the contribution dated 4/8/14 is for the 2014 contribution and the contribution dated 5/21/14 is for the 2013 contribution. If any further action or documentation is needed please feel free to contact me.

Thank You,
