Dear Mr. Llop,

I am contacting you on behalf of the Reports Analysis Division of the Federal Election Commission (FEC). We would like to request your help with closing out your former campaign committee, which was unfortunately never terminated and has not filed any required reports since 2017. To terminate your committee, could you please provide a statement about the disposition of the residual campaign funds and request termination? You can mail this statement to the Federal Election Commission, 1050 First Street NE, Washington, DC 20463. Please include your committee name and FEC ID number, William Llop CPA for Congress, ID #C00520064.

Your last FEC report, the 2017 12 Day Pre-Special Report, covered through March 29, 2017 and disclosed an ending cash-on-hand balance of \$231,911.67 and loans owed to you totaling \$446,589.40 (please see <https://docquery.fec.gov/pdf/549/201704139052094549/201704139052094549.pdf>). If the committee used the residual funds to repay part of the loans owed to you, and you forgave the remaining loan balance, could you please indicate this in your statement? We would appreciate your prompt response, as we are currently trying to close out inactive prior cycle committees that last reported a high cash-on-hand balance, and this matter may be referable for further Commission action if it is not resolved.

Please do not hesitate to contact me at (202) 694-1130 if you have any questions.

Best,

Nataliya Ioffe
