Dear Ms. Juris:

In response to the letter dated December 21, 2012, the Verizon/Verizon Wireless PAC has filed amended reports for its August monthly report (covering 7/1/12-7/31/12) and its September monthly report (covering 8/1/12-8/31/12). These amended reports have corrected the format for three redesignated contributions.

In addition, as requested in the December 21, 2012, letter, I have sent to your attention at the Commission, via FedEx, copies of the signed documentation redesignating the three contributions.

Please let me know if you have any additional questions.

Sincerely,

Taylor Craig
Treasurer
