Re: August Monthly Report (7/1/10 - 7/31/10)

Dear Marlene:

This letter is in response to your letter dated September 29, 2010 concerning certain information contained in our report.

-Schedule E of our report indicates that our committee may have failed to timely file one or more of the required 48 hour notices for independent expenditures. After talking with Marlene Colucci it was noted that we did not need to file a 48 hour notice for the expenditures listed in our letter. Marlene had included several amounts in her calculation that would trigger a 48 hour notice that should not have been included because they were partial payments of an estimated amount of independent expenditures that had already been disclosed at dissemination. Therefore we did not go over the \$10,000 threshold and did not need to file a 48 hour notice for the two expenditures listed in the letter.

I will amend our June, July, August & September monthly reports to clarify the partial payments for amounts that had been previously disseminated and reported.
