re: Committee # C00263053, Republican Central Committee of San Luis Obispo County June Monthly Report (5/1/05
5/31/05)

Dear Maureen,

Please find below our response to your letter dated January 18, 2006 regarding your comments on the above stated report.

1. The beginning cash balance of this report should equal the ending balance on your March Monthly Report. These discrepancies are in the YTD disbursement figures. The problem arose in February when an allocable expense was entered with a date our computer system didn't recognize. The expense was \$149.53 and it was for tickets for the Lincoln Day 2005 event. The expense wasn't included in February (or any other month's detail) but was picked up in YTD March and beyond expenses.

We will file amended monthly filings for the March 20th and all other monthly filings forward. No transfers were made on this allocable fundraising event.

2. The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page appear to be incorrect. This seems to be caused from an incorrect version of our software installed on our computer. The problem should resolve itself with our amended filings.

As part of our documentation process, I will file an on-line Form 99 with this information on February 17, 2006. I will mail this letter on February 17, 2006 to your attention in Washington, D.C.

If you have any further questions please do not hesitate to contact me. I will provide my telephone number and email address below for your convenience.

Sincerely,

Tom Bordonaro, Jr.
