Re: February Monthly Report (1/1/06 to 1/31/06), Democracy for America, FEC ID. No. C00370007

Dear Ms. Benitz:

This is the response of Democracy for America (the Committee) to the Commission s request for additional information regarding the Committee s 2006 February Monthly Report.

With respect to the Line 15 offset noted by you, the Committee assessed and received the usual and normal charge for the service provided. In this case, the services consist of space rented to Dean for America. The charge was derived by calculating the actual fair market value paid by the Committee and applying a pro-rata formula for the space used by Dean for America, on an actual square footage basis. The Committee did not make, and did not intend to make, an in-kind contribution to Dean for America, because the amount charged was the fair market value.

We hope that this information clarifies all of the questions that you have.

Sincerely,

Kathy Hoyt
Treasurer
