Re: Amended Year-End Report (12/01/07-12/31/07)

Dear Ms. Seay:

In response to your letter dated July 25, 2008 requesting additional information:

1. No employee of the Committee spent more than 25% of compensated time during the reporting periods covered by the Amended February Monthly Report, March Monthly Report, and April Monthly Report engaged in Federal Election Activity. Therefore, the Committee had no payments for salaries and wages required to be paid with Federal funds only. Accordingly, the reports do not disclose such payments and are correct as originally filed.

Please also be advised at this time that no employee of the Committee has yet spent more than 25% of compensated time during any completed monthly reporting period of the 2007-2008 election cycle engaged in Federal Election Activity.

Sincerely,

Nancy H. Watkins, C.P.A.
