Identification Number: C00044842

Reference: July Monthly Report (6/01/06 – 6/30/06)

Dear Ms. Poprik:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(c) prohibit a State, district or local party committee (combined) from receiving any contribution from a person or non-multicandidate political committee in excess of \$10,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1)

26039172216

transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Schedule A supporting Line 15 of your report discloses a payment(s) from an individual for apparent goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.52(d)(1)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided and explain the steps your committee took in determining the amount charged. If your committee provided the goods and/or services at more than the usual and normal charge, the difference between the two is considered to be contribution(s) received by your committee from an individual and may be prohibited subject to the limits set forth at 2 U.S.C. §§441a(f) and 441b or 11 CFR §110.1(d).

-Schedule A supporting Line 12 of your report discloses transfers from apparent joint fundraising committees. In addition, your report includes memo entries on Schedule A for what appears to be your committee's share

of the gross contributions received through these joint fundraising efforts. Please amend your report to clearly identify on the Schedule A, which joint fundraising committee each memo entry relates to.

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for "Communications Consulting" which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

-Schedule B of your report discloses reimbursements to individuals for "See Memo text" (Memo text provides amount(s) and purpose(s) of reimbursement). Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in \$200 or more in a calendar year, a memo entry, not a memo text record, including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary, you must indicate so in an amendment to this report. 11 CFR §300.36(b), and Advisory Opinions 1992-1 and 1996-20, footnote 3

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the

28039172218

committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1398.

Sincerely,
