RE: 2004 April Monthly Report (C00055582)

This letter is in response to your inquiry dated May 19, 2004 regarding the above-referenced report.

Please be advised that all of the \$27,251.72 of payments disclosed on Schedule B of this report reflect expenditures that support fundraising activities, which raise 100% federal monies for the Committee. In particular, these expenditures were for our ongoing direct mail and telemarketing fundraising solicitations. No expenditure financed any communication which referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any candidate for Federal office.
