This report amended to correctly report Carey account contributions on line 17, and to correct calendar year-to-date per election totals on Schedule E. Prior memo text: This amendment corrects a data upload error that caused donor names to import incorrectly, thus creating new contributor entries rather than appending to existing contributor records for aggregation purposes, as well as display incorrectly. This filing corrects the import, aggregation, and display name issue and resulted in additional itemized contributions being reported (and additional resulting pages) for contributors aggregating in excess of \$200.
